

RMD Bulletin

Knowledge is power...

FYI

RMD Revenue Forums

The Revenue Management Division (RMD) has coordinated the location for the next Revenue Forums in February 2011. RMD would also like to thank the providers who have agreed to host these forums. Street and/or structure parking is available at these locations.

There is no need to RSVP or register to attend but please remember to obtain your supervisor's approval. Please do not contact the agency's contact person for agenda information. RMD will issue a bulletin with the agenda one week before the Revenue Forums.

Financial workers and business staff from Short-Doyle directly operated and contract providers are encouraged to attend a Revenue Forum.
